

Dynamic Report

Dynamic is our youth group for school years 7-8, covering ages 11-13. Last academic year, we took a break from Dynamic, as we had no young people in those school years interested in coming. This year, we've had a large number of year 7s come and one year 8. We have a small but dedicated team who serve each week, who it is a blessing to work alongside.

This year, we've looked at challenges young people can face at school and where God fits in, Jesus' parables, and how we respond to different pressures we may face. We tend to start off with some games, have some snacks, and discuss something from the Bible or how God can make a difference in our day to day lives. It has been a very lively group, where getting them calm and listening can be a challenge. However, once they're listening and engaging with the topic at hand, we have had really great conversations.

This has been a really uplifting group to work with this year. Please pray that they would continue to come along on a Thursday, that those who don't come to church on a Sunday would get connected, and that they would all become genuine disciples of Jesus. We talked about the narrow and wide gates and roads from Matthew 7:13-14 a few weeks ago. My prayer is that they would be among the few who enter in through the narrow gate and walk the narrow road that leads to life.
