

Grandparents at Prayer (G@P)

Our grandparents at prayer group (aka G@P) is in its 6th year of meeting to pray for families everywhere. We have a large basket which is filling up gradually with written names of family members & friends' families from all over the world for whom we have been asked to pray; also, urgent prayer needs that we see in the news.

We have lively, passionate discussions sharing our faith & testimonies of the goodness of God before we go into open prayers for anyone who is in need. Nothing is too insignificant to pray for & members appreciate the confidentiality that is part of the unspoken ethos of the group.

We continue to meet every 1st & 3rd Friday in the month regardless of the number of days in each month. We gather in the Beacon Room at 11.45am with an aim to begin at midday. The session usually finishes at 1.15pm.

We share 'nuggets of gold' which we believe God has laid on our hearts & also answers to prayer. We are a small tight-knit group of believers.

The group is open to anyone who would care to join us. People don't have to be 'grandparents' necessarily, just a heart for their family loved ones.
